Atlas Construction Group is a bondable company and has provided bid bonds, payment & performance bonds on numerous projects.

WHY ATLAS? WE ARE:

- A. Licensed, fully insured, and available for emergency work.
- B. We are trained in handling insurance claims and have adjusters, appraisers and engineers on staff to help facilitate and expedite the process while maximizing claim dollars.
- C. "Date of Loss" specific, only using dates recognized by insurance companies for storm damage (Eagle View).
- D. Experts in recognizing previous wind and hail damage that may have gone unreported.
- E. Confident in our quality of work and support that with a ten (10) year warranty* on **Workmanship**, alongside any Manufacturer's warranty. *(See warranty certificate for details)
- F. **GREEN** and believe in energy saving systems that offer long term financial gains for building owners.
- G. Proud and stand with integrity; **Atlas Construction Group** is a veteran owned company and was founded under the simple guidelines and principals that the focus does not need to be solely on the roof of a home or business, rather, the family, employees and business owners that reside and work underneath. It is with that mindset; in order to protect what is most valuable, that only the highest quality products and materials are used and each project is constructed with the highest level of workmanship and backed by a warranty to support those claims.
- H. Growing; serving Texas with offices in Plano; serving the Dallas / Fort Worth metroplex, Denton and Lakeway; serving Austin, San Antonio and surrounding areas. Additional projects and locations in: Hattiesburg, Mississippi, Chesterfield,

Missouri, Brooklyn, NY, Phoenix, Arizona, Philadelphia, Pennsylvania, Tulsa/Oklahoma City, Oklahoma and Colorado Springs, Colorado. The Company is a privately-owned Texas Limited Liability Corporation operating as a Commercial Roofing Contractor; specializing in commercial roofing construction. Atlas Construction Group is also an approved government contractor and a member of the Central Contractor Registry. In addition, we are in good standing and active members of the National Roofing Contractors Association. (NRCA)

- I. **ATLAS**; using only the highest quality building materials and are a certified contractor of GAF, CertainTeed, Tamko Products, along with Duro-Last, Carlisle, Versico, Berridge, Johns Manville, Mule-Hide and are currently getting certified with Siplast roofing systems. Most work is backed by an industry leading ten (10) year workmanship warranty*.

*(See warranty certificate for details)
